Introduction to Trichology

Course outline: The Introduction to Trichology Course is an online course which gives students an overview of the fundamentals of trichology, including the structure of hair and skin, conditions of the hair and scalp, and the nature of the chemicals used in hair products. On successful students will be well equipped to offer knowledgeable and confident advice to friends, family and clients.

Qualification: On successful completion, the candidate is awarded the Introduction to Trichology Certificate and will be invited onto the Level 4 Certificate in Trichology. This is intended to provide a progression route to official recognition as a Registered Trichologist.

CPD: 10 CPD hours are awarded for this course.

Hours dedicated to study: Students will be able to study and complete learning in their own time.

Course content: The course is divided into 4 parts, which are:

Part 1: **Science of the Human Body**

Part 2: **Structures and Functions of the Integumentary System**

Part 3: **Fundamentals of Immune Responses**

Part 4: **Trichology-related Hair, Scalp and Skin Conditions**

Course delivery: All the information you need to pass the course is provided immediately after enrolment.

Assessment: At the end of each section there are multiple choice questions to assess your knowledge and understanding of the course.

Clinical assessment: Although underlying clinical principles are learned, clinical assessment is not applicable to this course.

Resources: All course notes are provided in written and audio format so that students can study in a way that best suits their learning style.

Accreditation and endorsement: On successful completion of all assessments, the student will be awarded the Association of Registered Trichologists CPD Approved Introduction to Trichology Certificate.

Membership: Introduction Course students will be eligible to join the Association of Registered Trichologists as a student member (theart.org.uk).

Education team: The course team is made up of highly qualified trichology and educational specialists.

Cost: The Introduction to Trichology Course is £60 plus VAT, which can then be credited against the Level 4 Certificate in Trichology.

Progression: The Level 4 Certificate in Trichology. Successful completion of the Certificate means you are a qualified Trichologist,
