

# TRICHO CARE

## EDUCATION

### Online Introduction to Trichology

**Course outline:** The Online Introduction to Trichology Course gives students an overview of the fundamentals of Trichology. This includes learning about the structure of the skin and hair and a selection of conditions that affect the hair and scalp. At the end of the Course, successful students will have an awareness of these common conditions and will have a firm basis for future study.

**Qualification:** On successful completion, the student is awarded the Introduction to Trichology Certificate. This certificate is CPD approved by the Association of Registered Trichologists (The ART).

**Progression:** Although the student is not at this stage able to practice as a Trichologist, they will be eligible to progress to the ITEC-accredited Level 4 Certificate in Trichology. This provides a progression route to official recognition as a Registered Trichologist under the auspices of the ART.

**Membership:** Whilst actively studying students are eligible to join as student members of the ART. Once the course has been completed, former students are eligible to join as Associates of the ART. Both formats are conditional on adhering to the ART codes of ethics.

**Course duration:** 10 CPD hours are applicable to this course.

**Course content:** The course is divided into 4 Learning Outcomes (LO). These are:

- LO1: The main sciences, structural organisation & body systems of the human body
- LO2: The structures & functions of the integumentary system & scalp
- LO3: The fundamentals of immune responses
- LO4: Trichology-related hair, scalp & skin conditions

**Mode of delivery and resources:** This course is accessed and studied exclusively online. All resources and guidance materials are supplied.

**Assessment:** Students will answer a range of multiple-choice questions at the end of each section of the course.

**Clinical consultation and assessment:** Although some conditions are covered, clinical consultation and assessment are not applicable to this course but are fully covered on the Level 4 Certificate in Trichology.

**Team:** The course team is made up of highly qualified and experienced trichology and educational specialists.

**Cost:** The Introduction to Trichology Course is £ 175. Cost of the Course can be credited against the Level 4 Certificate in Trichology.
